Our Client

Communities on the margins of opportunity deserve a trusted partner on their journey towards financial growth and stability. As a locally invested, collaborative partner in social justice and financial equity, Community Vision works to advance community ownership of community assets by providing nonprofits, social enterprises, and small businesses with responsive lending, catalytic capital, and advising and support to achieve justice, power, and equity. With offices in San Francisco, Oakland and Fresno, and a staff of 40, Community Vision is a Community Development Financial Institution (CDFI) that promotes economic justice and alleviates poverty by increasing the financial resilience and sustainability of community-based nonprofits and private enterprises. Through flexible financial products and sound consulting and advice, Community Vision creates opportunities to support community-rooted nonprofits and businesses to purchase, preserve, and develop social purpose real estate that revitalizes Northern and Central California communities.

Since its founding in 1987 as the Northern California Community Loan Fund, Community Vision has been connecting investors to communities, lending to nonprofits, small businesses, and cooperatives, and providing financial and real estate consulting to organizations that share the organization's vision of sustainable communities and social, racial, and economic justice. Over the past 36 years, Community Vision has invested more than \$350 million in projects throughout California, impacting the lives of more than 1.5 million of its neighbors. Community Vision's lending and consulting services support organizations that deliver healthcare, education, and human services; provide affordable and supportive housing; build income and wealth; and, foster cultural expression.

Standing proudly as an anti-racist organization, Community Vision recognizes that a history of discriminatory financial practices and intentional disinvestment have contributed to a lack of economic progress in low-income communities and communities of color. Community Vision provides capital and technical assistance

for communities that have been systemically disinvested to ensure fairness in opportunities, resources, and rights for everyone.

Position Responsibilities

Community Vision seeks a dynamic and visionary Senior Vice President of Programs with a strong equity lens to oversee its Capital and Real Estate Solutions departments. This role brings a strategic, community-centered view to align programmatic efforts and leverage expertise across teams to meet Community Vision's mission. The Senior Vice President of Programs ensures that Community Vision's programs are responsive to community needs, while being well executed, data-driven, and impact-focused. As a program expert, the role builds relationships and partnerships in communities and across the community development/finance ecosystem, and supports resource development and capitalization activities. Developing strategic relationships and partnerships with institutional funders and government agencies will be an important part of this role's portfolio of work.

Community Vision's Capital Solutions manages a \$100M+ loan fund that is building a restorative approach to deploy a spectrum of community development capital to clients and projects that increase community ownership of community assets, supporting wealth creation and power building in communities of color. Its Real Estate Solutions provides expert advising and training in commercial real estate that ensures nonprofits and businesses are anchored with the support tools and systems they need to root and to thrive. Finally, Community Vision's Advising and Support helps organizations and businesses to grow and scale effectively and equitably, creating jobs and wealth for its target communities.

The Senior Vice President of Programs is a key member of Community Vision's Executive Team and reports to, and works closely with, the organization's President. This position requires a collaborative leadership style, an ability to guide active and engaged teams, and a commitment to work effectively in partnership across departments.

More specifically, the Senior Vice President of Programs will:

- Provide strategic leadership to Community Vision's advising, catalytic capital and lending practices in pursuit of the organization's mission; ensure that departments sustainably deliver their services and activities in a rigorous, high-impact manner that is aligned with community priorities and Community Vision's theory of change and strategic plan

- Drive strategic growth by developing and implementing new business lines, capital strategies initiatives and program offerings that respond to community needs; leverage organization competencies, complement existing offerings, and have metrics for success
- Oversee the programmatic areas of the organization by providing support and direction to program leaders and staff, serving as a thought partner and resource, nurturing continuous learning and development, and supporting opportunities for staff leadership
- Oversee all program delivery, ensuring that Community Vision provides rigorous, high quality services that meet all contracted deliverables and reporting requirements
- Advance Community Vision's commitment to racial equity and economic justice through a restorative and community- and client-centered approach to client acquisition, services, new business lines, and grantmaking practices
- Guide program prioritization, ensuring the organization's programs, initiatives, and activities are aligned with Community Vision's strategic plan and theory of change
- Ensure that Community Vision remains a cutting-edge innovator within the CDFI sector, adapting to new realities, incorporating new approaches, and expanding alliances
- Build connection and collaboration between various departments and activities, enabling program departments to leverage cross-departmental opportunities
- Collaborate with Community Vision's President, VP of Finance, and Executive Team on capital deployment strategies and execution, identifying capitalization needs, opportunities, and areas for improvement
- Collaborate with the External Relations department to develop and implement an ongoing fundraising and capitalization strategy in support of products, programs, and initiatives
- Act as a subject matter expert in development of investor and funder proposals
- Guide planning and budgeting of program departments with an eye toward sustainability, transparency, and accountability
- Collaborate with Community Vision's impact team to ensure ongoing, data-driven impact measurement, program insight, and accountability to guide decision making
- Ensure ongoing assessment and improvement of systems and procedures that support capital deployment, operations, compliance and portfolio/asset/risk management
- Foster a culture that values collaboration and inclusivity, high performance, problem solving, excellent client services, learning, and innovation

- Act as a subject matter expert to build the organization's reputation as a trusted community real estate lender and advisor and thought leader by participating in conferences, panels and other public speaking opportunities, and developing written materials such as blog posts and white papers

Profile of the Successful Candidate

The Senior Vice President of Programs will be an experienced leader who is passionate about the community development and finance ecosystem, with a real capacity to drive growth and innovation.
